ORDER:

The Principal Chief Conservator of Forests (Head of Forest Force), Andhra Pradesh in his letter 1st read above, has submitted a proposal for according approval under Forest (Conservation) Act, 1980, for diversion of 0.32 Ha of forest land in Compt. Nos. 113,115 & 117 of Gani RF, Kurnool Range, Kurnool Division for drilling of (11) boreholes for soil testing for establishment of Integrated Renewable Energy Project – Pinnapuram, in favour of M/s. Greenko Energies Pvt. Ltd., Hyderabad and requested to accord permission under general approval category as per Government of India letter in the reference 2nd read above.

2. Government, after careful examination of the proposal, hereby accord permission to the Principal Chief Conservator of Forests (Head of Forest Force), Andhra Pradesh, for diversion of 0.32 Ha of forest land in Compt. Nos. 113,115 & 117 of Gani RF, Kurnool Range, Kurnool Division for drilling of (11) boreholes for soil testing for establishment of Integrated Renewable Energy Project – Pinnapuram, in favour of M/s. Greenko Energies Pvt. Ltd., Hyderabad, subject to the following conditions:-

i. The User Agency shall be allowed exploratory drilling of a maximum of 11 numbers boreholes with 2"2 diameter, an area of 17m x 17m per hole for soil testing within 0.32 hectares of forest land;

ii. The activities to be undertaken by the user agency within the forest land for prospecting shall not result in felling of any tree;

iii. The samples collected during the prospecting shall be used purely for investigation purposes and shall in no case be used for trade or commerce purpose;

iv. To minimize disturbance to the wildlife, user agency shall take all possible measures to minimize noise during prospecting operations and halt the prospecting activities during night and during such periods in the day as may be advised by the Chief Wildlife Warden, Government of Andhra Pradesh;

v. The State Forest Department shall deploy adequate staff to supervise the activities to be undertaken by user agency to prevent any damage to the flora (especially the fresh regeneration), fauna and also to prevent felling of trees during drilling of holes and movement of equipment ;

vi. After completion of the prospecting all bore holes shall be completely filled up and the ground restored back to its original position;

vii. During transportation of Bore drilling Machine / rigs no new road/ permanent path in the forest area will be constructed.

P.T.O

viii. The validity of the extent approval shall be for a period of two years, which may however be extended under extra-ordinary circumstances, no specific recommendations of the State Government to enable the licensee to complete prospecting operations for a period co-terminus with the period of prospecting license granted under the Mines and Minerals (Development & Regulation) Act, 1957, as amended from time to time of Rules framed there under.

ix. The State Government and the user agency shall comply with any other condition that the concerned Regional Office of this Ministry may stipulate, from time to time, in the interest of conservation, protection and development of forests & wildlife;

x. This permission shall, in no way, confer any rights to the project proponents or any other agency for grant of approval under the Forest (Conservation) Act, 1980 for diversion of forest land for mining or any other non-forestry use of the said forest land;

3. The Principal Chief Conservator of Forests (Head of Forest Force), Andhra Pradesh, Guntur is directed to take further necessary action in the matter accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

G.ANANTHA RAMU
